# Report of Board of Trustees of Trust Funds

---

RYE, NEW HAMPSHIRE, February 1, 1930.

*To the Citizens and Taxpayers of the Town of Rye:*

During the last fiscal year there have been received six Cemetery Trusts totalling \$1150 and one Public Library Trust of \$500. There are now sixty-one funds aggregating \$16,004.09. The income received during the year has been \$694.95. The Trustees of Rye Public Library have been paid \$319.44 and the Trustees of Central Cemetery \$310.91.

Trust fund investments are described and limited under Chapter 42, Section 22, Public Laws as follows:

“22. Custody; Investments. The trustees shall have the custody of all trust funds held by their town. The funds shall be invested only by deposit in some savings bank in this state, or in bonds, notes or other obligations of the United States government, or in state, county, town, city and school district bonds and the notes of towns or cities in this state; and when so invested the trustees shall not be liable for the loss thereof. The trustees may retain investments as received from donors, until the maturity thereof.”

By vote of the town, \$10,500 is invested in Town of Rye notes bearing interest at the rate of four and one-half ( $4\frac{1}{2}\%$ ) per cent. per annum. The balance of Trust Funds is invested in United States Bonds bearing interest at four and one-quarter ( $4\frac{1}{4}\%$ ) per cent. or deposited in Rockingham County Savings Banks paying four (4%) per cent. Details are to be found in our tabulated report presented herewith.

Respectfully,

SHIRLEY S. PHILBRICK,  
WILLARD A. TREFETHEN,  
CHARLES M. REMICK,

*Trustees of Trust Funds.*

# Report of Library Trustees

---

RYE, NEW HAMPSHIRE, February 1, 1930.

*To the Citizens of Rye:*

The most important improvement in library equipment during the past year has been the installation of a new furnace. Bids were submitted by several contractors and the contract was awarded to Mr. Gardner Witham.

Because of the smoky condition of the interior, it was found necessary late in the spring to close the library for a thorough cleaning.

Several small evergreens have been set out on either side of the entrance, the spruce tree has been transplanted and two maples have been planted near the road.

The Every Other Tuesday Club has generously contributed ten dollars (\$10.00) with which four juvenile books have been purchased.

An effort is being made to strengthen the reference department of the library and to this end the interest from the Locke and Webster Funds is being used for a subscription to "The Dictionary of American Biography." Also, three valuable bird books have been purchased from the Commonwealth of Massachusetts. Books of interest to parents and teachers as well as to children have taken a share of the book funds.

The Board requests that an appropriation of not less than one thousand dollars (\$1,000) be granted for library administration for the coming year.

Respectfully submitted,

HELEN F. PHILBRICK,  
WILLIAM H. LOCKE,  
CHARLES M. REMICK,

*Library Trustees.*

## REPORT OF TREASURER OF LIBRARY TRUSTEES

For year ending January 31, 1930

# Report of Librarian

---

*To the Trustees of the Rye Public Library:*

The following is the report of the Library for the year 1929:

Number of volumes in 1928.....	7,525
Number of volumes discarded in 1928.....	150
Number of volumes added by purchase.....	121
Number of volumes presented.....	204
Total number of volumes.....	7,700
Average circulation.....	200
Largest circulation.....	275
Smallest circulation.....	81
Money from fines.....	\$13.04
Money spent for desk supplies.....	12.00

The bulletin promised in last year's report has been printed and may be had upon request. This number lists the books purchased during the past year, also a few older books worthy of attention.

This year the interest money has been apportioned in such a way that every class has been strengthened. Special attention is called to the reference table where three volumes of the "Dictionary of American Biography" have been placed. Additional volumes will be found as soon as they are compiled. Another valuable work is the three books on "Birds of Massachusetts and other New England States."

Several boxes of books, mostly fiction, were presented by Mrs. Paul Whitcomb. Other collections were presented by Dr. Walker, Mr. John L. Parsons, and Miss Clara E. Parsons. Magazines by Dr. Percy G. Drake, Mrs. Daniel Parsons, and a friend.

The Emeralite reading lamps for the two reading tables were

the gift of the Abeniqui Camp Fire Girls. These are a great addition to the reading room, giving it a home-like atmosphere.

Hung upon the wall in the stack room, is a picture of "Old Ironsides" framed in wood and copper taken from the hull of the frigate. The contributions from the following made possible the purchase of this picture: Mr. Abbot B. Drake, Junior Order of American Mechanics, Rye Grange, Ideal Club, Crescent Club, and Brophilzendia.

A china headed doll over seventy-five years old has been presented to the library by the heirs of Mrs. Arthur Goss. This doll was the playmate of Mrs. Goss and was very dear to her all her lifetime. From the same source, we have a doll's head, having very delicate features and elaborately dressed hair. This head is placed in the curio cabinet.

With new books, tables well supplied with magazines, good lighting and heating systems, the library aims to be of great value to the public.

Respectfully submitted,

HELEN C. DRAKE,

*Librarian.*

# School Warrant

---

## THE STATE OF NEW HAMPSHIRE

*To the Inhabitants of the School District, in the town of Rye,  
N. H., qualified to vote in district affairs:*

You are hereby notified to meet at the Town Hall in said district on the 15th day of March, 1930, at 1.30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors, and Committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the coming year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.
9. To transact any other business that may legally come before the meeting.

Given under our hand at said Rye this 10th day of February, 1930.

IRVING W. RAND,  
ELIZABETH M. MARDEN,  
*School Board.*

A true copy of Warrant—Attest:

IRVING W. RAND,  
ELIZABETH M. MARDEN,  
*School Board.*

# Report of the School Board

---

*To the Citizens of Rye:*

Your School Board makes its report for the year just past, which we believe on the whole has been very successful. The usual minor repairs have been made and in addition a cellar has been put under the South School and a new heater installed, which your Board considers a big improvement. This was done from the regular appropriation.

We would refer you to the Treasurer's report regarding the financial standing of your schools. Also the Superintendent's report which covers the work done the past year.

*Budget for 1930-1931:*

Salaries of district officers.....	\$100.00
Superintendent's salary.....	300.00
Expenses of administration.....	125.00
Principal's and teachers' salaries.....	9,000.00
Text-books.....	400.00
Scholars' supplies.....	350.00
Flags.....	10.00
Janitor service.....	840.00
Fuel.....	1,200.00
Water, light and janitor supplies.....	100.00
Minor repairs and expenses.....	1,000.00
Medical inspection.....	50.00
Transportation.....	1,665.00
High School tuition.....	1,600.00
District nurse.....	250.00
New equipment.....	400.00
Per capita tax.....	406.00
	<hr/>
	\$17,796.00

Respectfully submitted,

IRVING W. RAND,  
ELIZABETH M. MARDEN.

July 9, 1929. Rye, N. H.

# Report of the Superintendent

---

*To the School Board of Rye:*

Herewith is submitted to you my fifth annual report as superintendent of Rye. During this past year no changes have been made in the administration of your schools. Mrs. Margaret Mooney was transferred from the West to the East School, and Miss Viola Harrington was secured to fill the position at West Rye. Miss Harrington is a Normal school graduate of several years' experience.

The arrangement whereby we employed cadet teachers in the Junior High School has been continued. This system has given fairly satisfactory results, especially when we consider the small amount of expense involved.

Our school nurse whom we hired from the Red Cross Chapter, of Hampton, was unable to serve this year and we have employed Mrs. Angela Dolbec as the school nurse for Rye. Mrs. Dolbec's services have been satisfactory and I believe have been appreciated by the people of the town.

Mr. Wiggin has continued his work as principal of the Junior High School and is gradually securing better results in study and school spirit. The attendance has been very satisfactory, although children's diseases are still causing some interruption in this good attendance.

We are gradually adding equipment to our schools in the way of science apparatus, dishes, etc., for our domestic science department, reference books, library books and a more up-to-date supply of text-books. An expenditure of \$50 was authorized by the School Board in purchasing library and reference books for the Junior High School. The pupils of that school have shown their appreciation of these books by their constant use.

A new heater was installed in the South School. An excavation was made so that the heater could be placed in the basement. This renders the South Rye School rooms very comfortable and satisfactory. The hauling of heavy truck loads of

gravel across the yard of the South Rye School constitutes an annoyance and menace that should not be permitted another year.

I believe that there are many citizens of Rye who are looking forward to the time when Rye will have a modern central school building capable of accommodating all the pupils of the town until they are sent to Portsmouth to school. It is evident that a decision must be made as to the number of grades which the town can provide for economically and to the advantage of the pupils.

The number of pupils in the several grades of the Rye schools at present is as follows. First grade 18, second grade 17, third grade 22, fourth grade 15, fifth grade 20, sixth grade 13, seventh grade 16, eighth grade 17, ninth grade 16, tenth grade 9. This shows to us that the number of children in Rye is not increasing, and that we can count upon there being from fifteen to twenty pupils in each of the seventh, eighth, and ninth grades. The grades above the ninth will show a decided drop because at that time many of the pupils become sixteen years of age and will drop out of school, especially if they are older than the majority of the class.

Again in order that our pupils when entering Portsmouth Schools may be fitted to enter any one of the several courses offered in those schools, it is necessary to offer our pupils several alternative subjects, especially above the ninth grade. But the number of pupils in the tenth and succeeding grades is so small that to divide them by giving electives renders these classes so small that they cannot be run economically.

Once more, there are many reasons why when our pupils enter Portsmouth Schools, they should enter at the beginning of either the Junior or Senior High. It has been decided in Portsmouth that as soon as buildings can be provided the schools will be organized on the six-three-three plan, that is six years in elementary school, three in Junior High and three in Senior High.

I therefore recommend that as soon as possible arrangements

be made to send to Portsmouth High pupils of the tenth grade as well as those of the eleventh and twelfth.

The cost per pupil of the ninth and the tenth grades of the Rye Junior High for the school year of 1928-1929 is given by the State Department as \$103.08 and the median cost of all New Hampshire High Schools is \$136.10.

The cost per pupil for the elementary grades in the Rye Schools for the same year was \$75.51 and the median cost for all elementary schools for New Hampshire was \$83.35.

The amount of money per one thousand dollars valuation spent by Rye upon its public schools was \$5.28. Only 18 towns out of 244 spent as little as Rye.

I wish to express my appreciation of your cordial cooperation.

Respectfully submitted,

CHARLES N. PERKINS,

*Superintendent.*
